BEST AVAILABLE COPY

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

According to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from the filing date unless the application becomes the subject of a secrecy order.

4. The 10^6 initial population was exposed to mortality from the parasite during the first 2 NPDs, after which the multiplication of the parasite was reduced to 1/100 of the initial number. As a result, the population was reduced to 1000 individuals, and only from the 10th exposure to the parasite. The multiplication rate of the parasite in 2 months from the 10th day of 90 days from the 10th day. "Parasite population" (Figure 1) is 1000. The number of parasites is 100000000. The number of the parasites is 100000000. The number of the parasites is 100000000.
